with a Ribbon

Feb-Mar

What would you like to tie with a ribbon?
Why not tie your cherished feelings,
encounters and memories from your journey, into a ribbon?

Limited-Time Event

Making Salt CharmEvent

Tie — with a Ribbon

“Let’s make the wreath complete with everyone’s wishes.”

Staff's Original Post Card

“We’re also adding toppings to our food events and ribbon parts to our daily activities!”

What color comes to mind
when you think of “**Ryukyu**”?

The sparkling blue of the sea
The red of the Eisa drum
The deep purple of beni-imo
The yellow of the sun over coral reefs
And
The fresh green of sea grapes

Ryukyu is not defined by just one color.
The color that rises in your heart
is your very own “**Ryukyu Color**.”
